

NOTE FROM NOLAN & SUSAN CLARK

We would like to take a moment to tell how pleased we are with the recent wedding of our son that was held at St. Clement. Thirty years ago we had our wedding at the church. We were very pleased and proud when our son and his fiancé announced they wanted to have their wedding at St. Clement also. On September 23rd we had the wedding in the church and the reception in Hall A. The church was beautiful. With the gold leaf reflecting the light from the stained glass windows, the beautiful woodcarvings offset the magnificent paintings of the iconostas, it created a wonderful backdrop for the ceremony.

The weather was rainy after the church ceremony and it was so nice not to have to worry about everyone having to leave the building. The guests were noticeably relieved also. The convenience of being able to hold the reception across the hallway from the church is a feature not to be taken for granted.

Amy and her staff from Elite catering did a wonderful job of making her part of the evening a pleasure. The staff was well prepared, and very attentive to the guests. We received many positive remarks about how the staff responded to the requests of the guests. The food was plentiful and very delicious. I can think of nothing additional that they could do to improve.

The church staff, Jerome Nietubicz, Walter Ickes, Bill and Rob Kondoff, Virgo Edwards and Kim Atanasovski were outstanding to work with. All were very knowledgeable and helpful. Overall, it was a wonderful and memorable day and we thank you.
